Winter Snow & Ice Policy

Snow season is upon us! This is a great time to familiarize yourself with the City's snow removal policies so you can avoid citations and keep sidewalks safe for neighbors.

A city-wide snow removal period is triggered by a snowfall of two (2) or more inches. When this occurs all vehicles, trash and recycling bins, etc. must be removed from city streets until the pavement has been fully cleared.

Property owners are responsible for clearing adjacent sidewalks. **All snow and ice must be removed within 24 hours of the end of a snowfall.**

Click [here](#) for more information on snow removal.
