Public Works Updates

Sewer Line Cleaning

American Environmental to start cleaning all sewer lines West of Snelling starting April 19, 2023. The project is expected to be wrapped up by Wednesday, April 26.

The City owns and maintains the network of sanitary sewer mains within the boundaries of Falcon Heights. This involves jetting of the sewer lines in segments of the city each year to remove buildup and prevent backups from occurring.

Street Sweeping

Public Works has started spring street sweeping. To help our crew clear debris, please move vehicles from the street to allow sweeping curb to curb.

Street sweeping is weather and progress dependent.

Watch our [Facebook page](#) for updates on street sweeping progress to see when your neighborhood is scheduled for cleanup.

Ramsey County Cleveland Avenue Reconstruction Update

Cleveland Avenue from Buford to Larpenteur is closed. The Buford intersection is also closed.

A signed detour will be in place using Larpenteur, Hwy 280 and Energy Park Drive.

The Commonwealth Avenue and Carter Avenue are open.

Start Saving Energy at Home!

Start saving energy at home this Earth Day with Home Energy Squad! Falcon Heights residents can sign up for a discounted HES visit or if you have already had a visit, get started on your recommended energy projects. mncee.org/hes

As we all know by now, the weather in Minnesota can be unpredictable, but you can make sure your home is equipped for all types of weather by having a Home Energy Squad (HES) visit! With a HES visit, an Energy Auditor will help you get instant energy savings by installing free, energy saving materials, inspect your home's insulation, heating and cooling systems, and water heater, and provide you with a customized report with recommended upgrades you can make to improve your home's energy efficiency.

An HES visit is beneficial anytime of the year, whether it is snowing and freezing or sunny or sweltering. That's why HES offers year-round visits, so the energy-savings never have to stop!

Plus, thanks to Falcon Heights' partnership Home Energy Squad, you can get a visit at a discounted price or free for income qualified customers.

If you are ready to schedule your visit, go to mncee.org/hes or call 651-328-6220.

The Home Energy Squad is provided by Xcel Energy and CenterPoint Energy and delivered by the local nonprofit, Center for Energy and Environment (CEE)

Neal Kwong Award 2023 -Now Taking Applications-

Neal Kwong was a Falcon Heights resident who tragically passed away at the age of fifteen. He was an outstanding member of our community. In his memory, the City established the Neal Kwong Award to recognize young people, ages 12 to 19, who display leadership and volunteerism in Falcon Heights. Nominees must live in or volunteer in Falcon Heights. Parents are encouraged to support their youth by nominating them or by helping neighbors and friends willing to nominate them.

Nominations for the 2023 Award are due no later than Friday, April 28th at 4:30 pm.

The award recipient(s) will be recognized at a Falcon Heights City Council meeting, in this newsletter, and on a plaque in the lobby of City Hall.

For more information on the award and for a link to the application, please visit <https://www.falconheights.org/residents/neal-kwong-award>

Minnesota Recycling Works

Have you ever questioned if recycling is worth it? Short answer: yes. Beyond saving energy and protecting natural resources, recycling also supports vital industries.

Recycling is the process of collecting materials that would otherwise be thrown away and turning them into new products. Our cans, bottles and paper are dropped off at a local facility where people and machines sort the recycling into material types which are sent to many different companies:

- Paper and cardboard are made into newspapers, toilet paper rolls and cereal boxes at five paper mills in Minnesota.
- Cartons like juice boxes are sent to a company in Wisconsin that makes a material for new paper products.
- Aluminum cans get turned into new cans, wire, siding and more at plants in the South.
- Steel cans like those used for soup are made into steel beams in Chicago.
- Plastic bottles with a number 1 like water and soda bottles are shipped to other states to be made into new bottles, deli food containers and carpet.
- Plastic containers with a number 2 like milk jugs are transformed into low-maintenance lumber by companies like Avon Plastics in Paynesville. They are also made into more bottles or irrigation tubing for farmers.
- Cottage cheese and other plastic tubs with a number 5 are used to create food containers, car parts, paint cans and more by companies in other states.
- Glass bottles and jars are sorted by color in Saint Paul. Clear glass goes to Anchor Glass in Shakopee to make condiment bottles. Brown glass is sent to Illinois to make beer bottles.

•Stick to the basics: Recycle the items listed above.
•Keep it loose: Empty recycling into your bin – no plastic bags.
•Check with your recycling hauler or Ramsey County (RamseyRecycles.com/AtoZ or 651-633-3279) for everything else.

Compost Bin Sale

Want to start composting at home? Ramsey County residents can save \$20 on a compost bin from Recycling Association of Minnesota.

Order your compost bin for \$76 plus tax online at RecycleMinnesota.org and use promo code RAMSEY. Or, call 651-641-4589 and mention that you are a Ramsey County resident.

Then, pick up your pre-ordered bin on Saturday, April 29 in Maplewood.
