POLICE TRANSITION: FALCON HEIGHTS TO BEGIN POLICE PARTNERSHIP WITH CITY OF ST. ANTHONY VILLAGE, STARTING MARCH 1, 2025

As of March 1, 2025, the City of Falcon Heights officially transitioned to the St. Anthony Police Department (SAPD) as its provider of law enforcement services. This change follows an extensive review process and reflects a renewed commitment to community-focused policing.

Why the Change?

Since 2018, Falcon Heights has contracted with the Ramsey County Sheriff's Office (RCSO) for police services. With that contract set to expire on December 31, 2024, and a mutual decision not to extend coverage beyond February 2025, Falcon Heights sought a new long-term policing partner. After evaluating options, city officials chose to re-establish a partnership with St. Anthony Village, which previously provided policing services to Falcon Heights from 1994 to 2017 and still provides services to neighboring Lauderdale. Falcon Heights city leaders cited the impressive work the SAPD has continued to do, including their region-leading transparency and their collaborative effort with the U.S. Department of Justice.

The decision to return to SAPD comes after both cities took time to reflect on the past partnership, incorporating lessons both parties learned and developing a new contract that reflects the needs of St. Anthony Village, Lauderdale and Falcon Heights residents.

A Phased Transition to Full Services

While SAPD aims to provide 24/7 dedicated patrol coverage, staffing levels require an initial phased approach during the transition:

- March 1, 2025: SAPD will assume responsibility for emergency response and will provide limited patrol hours in Falcon Heights. This will start at 8-hours per day of active patrol and increase accordingly as staffing allows.
- Mid-2026: Increased daily patrol coverage based on staffing progress.
- January 1, 2027: Full staffing and services are anticipated to be in place. During the ramp-up period, Falcon Heights will receive round-the-clock emergency response, ensuring that public safety remains a top priority. The contract also establishes a Joint Operations Committee, where representatives from both cities will meet regularly to review policing services and ensure community needs are met.

Budget and Structure

The agreement is structured to allow flexibility as SAPD scales up staffing. Initially, Falcon Heights will pay for services based on the level of dedicated patrol coverage provided, with costs adjusting as service levels increase. The city has allocated funds in its 2025 budget to account for this transition. The projected costs for 2025 reflects a significant decrease from current costs for police services, so the 2025 annual levy was reduced to a 2.77% increase.

Looking Ahead

This renewed partnership represents an opportunity to build a partnership with an established police agency to offer community-oriented police services. Falcon Heights and SAPD are committed to transparent communication with residents throughout the transition.

For updates on police services and community engagement opportunities, visit : www.falconheights.org/government/public-safety/law-enforcement-police-services

A WELCOME LETTER FROM ST. ANTHONY POLICE DEPARTMENT CHIEF SPIESS

As the St. Anthony Police Department resumes policing services in the City of Falcon Heights on March 1, 2025, I want to express how excited we are to once again be part of this community. We are committed to building strong partnerships and working together to ensure safety, security, and a high quality of life for all.

Our mission is clear: "To improve the overall quality of life by preserving the peace and safety of the community." This commitment extends to every community we serve and aligns with the City of Falcon Heights' mission to "...create and maintain a high quality of life for its residents." As a police department and as individuals, we will not waver from this commitment.

The St. Anthony Police Department is guided by our Strategic Plan, which shapes all of our daily actions, training, and the programs and initiatives we prioritize. This plan was developed with input from every member of our team and reflects the valuable feedback we've received from the community. In 2024, we underwent a significant renovation of the Strategic Plan, which led to the identification of our three core values: Integrity, Courage, and Compassion.

- **Integrity:** We uphold the highest standards of honesty, accountability, and professionalism in every action and decision, ensuring trust within our community.
- **Courage:** We act with strength and determination, facing challenges and uncertainty with confidence to protect and serve our community.
- **Compassion:** We treat all individuals with empathy, understanding, and respect, recognizing the humanity and dignity of every person we encounter.

This Strategic Plan serves as a living document that ensures our department operates with purpose and alignment with community needs. It reflects our ongoing commitment to growth, accountability, and excellence in policing. You can learn more about our Strategic Plan at www.savmn.com/191/Police-Department.

We also believe in the importance of open dialogue and encourage you to share your concerns, ask questions, and engage with us. Our officers will be present throughout the community, listening, learning, and ensuring a smooth transition as we resume services.

As your Police Chief, I am personally committed to fostering a strong connection between our department and the residents of Falcon Heights. I am happy to speak with and engage with all members of our community, and I welcome the opportunity to hear your thoughts, address your concerns, and work collaboratively toward our shared goals.

We look forward to serving you once again and working alongside you to make Falcon Heights a safe and thriving community.

Sincerely,
Chief Jeff Spiess
St. Anthony Police Department

CITY OF FALCON HEIGHTS ACTIVITIES SCHOLARSHIPS PROGRAM - 2025

The City of Falcon Heights is committed to promoting community engagement and active participation in recreational activities for our youth. The Activities Scholarships Program provides financial assistance to encourage Falcon Heights youth residents to enroll in activity programs offered by approved institutions in Falcon Heights and neighboring communities. As the City of Falcon Heights' program offerings are limited in 2025, we want to encourage youth to stay active and engaged. To encourage this youth participation in activities this Spring/Summer, the City is offering a reimbursement of up to \$25 per household to support children ages 4 to 17 attending camps, enrolling in arts or sports activities, taking swimming lessons and more.

[Click to learn more about the activities scholarship program and reimbursement](#)

COMMUNITY <<< EVENTS & UPDATES

SUSTAINABILITY FAIR

Saturday, April 26 | 11:00 AM - 2:00 PM
Falcon Heights City Hall (2077
Larpenteur Ave. W.)

The City is offering electronics recycling through Repowered Recycling, textile collection through Retold Recycling, and paper shredding services through Shred Right. These services will be in our parking lot. Electronics, textiles, and paper shredding are available to Falcon Heights and Lauderdale residents only.

Come inside City Hall to learn about ways to incorporate sustainability in your daily life!

More information, can be found [here](#).

CITY OF FALCON HEIGHTS CLIMATE ACTION PLAN COMMUNITY MEETING

The City of Falcon Heights is developing a Climate Action Plan to reduce greenhouse gas emissions, address climate impacts, and strengthen community resilience. This plan, funded by a Minnesota Pollution Control Agency grant, is expected to be completed by summer 2025.

As we continue this important work, we want to hear from you! Join us for the Climate Action Plan Community Input Session on Monday, March 31st, from 6:30 to 8:00 PM at City Hall (2077 Larpenteur Ave W).

At this session, you'll learn about the planning process, key findings so far, and have the opportunity to share your ideas to help shape the plan. Your input is essential in creating a sustainable future for Falcon Heights!

COMMUNITY <<< EVENTS & UPDATES

DOOR-TO-DOOR SALES

Spring brings more than just warm weather to Falcon Heights - it's also peak season for door-to-door sales.

Falcon Heights City Code Chapter 14 requires that any person engaging in door-to-door sales as a peddler, solicitor, or transient merchant apply for a license from the City at least seven regular business days prior to when the activity is to begin. The license must always be visible.

Non-profits with a valid 501(c)3 status are exempt from solicitor requirements.

Are you not interested in sales calls? You can get a "no soliciting" sign for your home, and solicitors must comply and cannot remain on your property.

Report aggressive or threatening solicitors to law enforcement by calling 911.

To learn more about city licensing, [click here.](#)

ST. ANTHONY PARK AREA SENIORS

POETRY GROUP WITH ST. ANTHONY PARK AREA SENIORS

Meet with others to share your poetry! Writing can often be solitary, but sharing your work in a small group can provide helpful support and encouragement.

- Dates: 2nd Friday of the month, upcoming on March 14 and April 11
- Time: 9:30 – 10:30 AM
- Where: 2200 Hillside Ave W., come to Door 2
- Details: Everyone is welcome, regardless of age! Participants bring poetry they have written to share and discuss with the group.

No registration is required. If you have questions, please call the SAPAS office at 651-642-9052.

SEEKING ASL VOLUNTEER

SAPAS is looking for a volunteer who knows American Sign Language!

Do you know ASL? St. Anthony Park Area Seniors is looking for someone who wants to socialize with a senior who communicates through sign language. If you are interested in learning more about this opportunity, please contact the St. Anthony Park Area Seniors office by calling 651-642-9052 or by emailing vc@sapaseniors.org

HOME ENERGY SQUAD PARTNER TOOLKIT WINTER 2025

COMMUNITY <<< EVENTS & UPDATES

Stay cozy at home with a Home Energy Squad visit. Winter is here, and with it comes lower temperatures, snow, and ice. Keep the cold out this year. With a Home Energy Squad (HES) visit, you can understand your home energy needs and create a plan to address them.

HES and Falcon Heights partner to provide free and reduced-cost visits for residents interested in making energy efficiency improvements. These visits, which are provided by Xcel Energy and CenterPoint Energy and delivered by Center for Energy and Environment, offer a way to better understand your energy use at home. During your visit, a trained energy consultant will come to your home, identify ways to improve your energy efficiency, and make some same-day improvements, like installing LED lightbulbs, door weather-stripping, a programmable or smart thermostat, and more as needed. After the visit, your energy consultant will provide a customized report of their findings, including additional energy saving recommendations and resources on how to get started on recommended projects.

Depending on your home, HES offers two visit types. The Energy Saver Visit is recommended for single-family houses built after 2000, mobile homes, condominiums, and renters. The Energy Planner Visit is ideal for houses built before 2000. No matter what type of visit you receive, you'll get valuable information about your home. Thanks to Falcon Heights's partnership with HES, residents are eligible for free or reduced-price visits. Let us help you achieve your home energy goals. Schedule a visit by calling 651-328-6220 or by visiting mncee.org/hes.

Home Energy Squad is provided by Xcel Energy and CenterPoint Energy and delivered by Center for Energy and Environment (CEE).

NEAL KWONG AWARD

Neal Kwong was a Falcon Heights resident who tragically passed away at the age of fifteen. He was an outstanding member of our community. In his memory, the City established the Neal Kwong Award to recognize young people, ages 12 to 19, who display leadership and volunteerism in Falcon Heights. Nominees must live in or volunteer in Falcon Heights. Parents are encouraged to support their youth by nominating them or by helping neighbors and friends willing to nominate them.

Nominations for the 2025 Award are due no later than Friday, April 25th at 4:30 PM.

The award recipient(s) will be recognized at a Falcon Heights City Council meeting, in this newsletter, and on a plaque in the lobby of City Hall.

For more information on the award and for a link to the application, please visit the website [here](#)

COMMUNITY <<< EVENTS & UPDATES

COYOTES

January/February is coyote breeding season, which prompts more activity as last year's juveniles are pushed out and these new adults are looking for their own territory to set up housekeeping. New pups are whelped in April or early May.

Although sightings may increase in spring, it's important to note that Animal Control and officers do not respond to coyote sightings except when dangerous.

Consider the following don'ts:

DON'T:

- do not feed coyotes
- do not leave pet food outside
- do not allow cats and small dogs outside, unattended

More information can be found [here!](#)

ICE RINK UPDATES

Due to warmer weather in the forecast, the rinks at Grove Park(1600 Coffman St.) and Curtiss Field (1555 Iowa Ave. W.) are now closed.

Weather conditions will determine the exact skating season. For rink updates, call the Weather Line at 651-792-7607.

NATURE NEWSFLASH <<<

REDUCE/REUSE/RECYCLE

The three R's of sustainability, with the corresponding triangle, are an iconic image of the environmentally conscious movement. As we approach Earth Day, I will be sharing about different facets of sustainability and how to implement them in your life!

Reduce

The three R's exist due to the rise of single-use items, which became more prevalent in the late 20th century and have continued to dominate the market today. Single use items (often made of plastics) are convenient for people in the stress and hurry of modern life. The first pillar of waste sustainability is to reduce the amount of waste you are generating. Despite the prevalence of single-use products, you can find reusable products and alternatives to plastic in many stores. If you are looking to reduce unnecessary waste from packaging, zero waste stores are a great option to buy essentials without accumulating a bunch of plastic wrapping and packaging.

Reuse

There are tons of creative ways to use things in your house. Many single-use containers can be repurposed into other things (saving plastic containers for food storage, jars for glassware, and milk jugs for winter sowing are just a few ideas). Fix-it clinics can help you keep items in your house in use for longer. Buy nothing groups are a great way to find new homes for things that you no longer use without the need to buy, sell, or donate items. The most sustainable choice is to use the things you already have, instead of buying new products!

Recycle

It is very difficult to live life without generating some waste. Luckily, many products are recyclable, with more companies paying attention to sourcing recyclable materials and ensuring their products can be recycled at the end of their useful lives. Keeping things out of the landfill is a small action, but a crucial one. The How2Recycle label is an initiative that helps consumers recycle products by giving some guidance on the best way to recycle a given product. Keep an eye out for that at the store! In Falcon Heights, we have organics, plastic film, and household recycling, which greatly improves your ability to reduce waste to the landfill. Furthermore, there are tons of products that are recyclable if you take them to specialized collection sites! Many brands have partnerships with Ridwell and TerraCycle, which accept more products than normal recycling at via their curbside or drop off locations. You can also use the [Ramsey County A-Z green guide](#) to learn more about local recycling companies and opportunities to recycle tricky items.

NATURE NEWSFLASH <<<

The attached flow chart might be helpful for sorting your waste! So many more things can be recycled now, and some of the guidance around certain items has changed. For example, you should keep caps on milk and juice cartons, and your entire pizza box (grease and all) can go in the Food Scraps Drop Off. The flow chart can be found on the brand-new [Falcon Heights Waste Hub page](#), which was a collaboration between Olivia Siebert (your GreenCorps member) and Pedro De Filippo Vanucci, one of your Environment Commissioners.

This article was written by Olivia Siebert, the Minnesota GreenCorps member serving with the City of Falcon Heights. Is there something you want to see in the Nature Newsflash, or are you an expert and want to be included in future articles? Send your ideas over to Hannah Lynch, Community Development Coordinator, at hannah.b.lynch@falconheights.org

PLASTIC BAGS UPDATE <<<

It has been so exciting to see the community's response to the new plastic film recycling drop-off! We have already collected 4 large garbage bags worth of individual drop-offs in the month it has been available.

In that vein, we have had some questions about certain items. The most important thing you can do to determine if an item can be recycled at City Hall or a grocery store is to test if it stretches. For example, plastic resealable shredded cheese bags, resealable bags of nuts, pre-washed salad bags, resealable freeze-dried dog food bags, crinkly large pasta bags, and most resealable produce bags (such as 2-pound bags of apples) **CANNOT** be recycled. Check out the [NexTrex website](#) to find visual examples of accepted items.

If the product has the [How2Recycle label](#) and it is listed as "Store Drop-off", it can be taken to City Hall. For example, some potato and orange bags that are stretchy plastic on one side and have a net/mesh backing that have the "Store Drop-off" label can be recycled! The soft produce bags you find in the fresh produce section are recyclable if they are made of plastic (some stores' bags are now compostable). You can also check a bag to see if it has the #2 HDPE label or the #4 LDPE label inside the little recycling triangle.

Your Spring 2025 printed newsletter should have arrived in your mailbox. This Spring version has a ton of great information and includes a printed list of the allowed/not allowed products, which you can cut out and hang in your kitchen to remember what can be dropped off. Remember that all items must be **CLEAN, DRY, and FREE OF ALL FOOD RESIDUE**. Rinse them out and let them dry!

NOT RECYCLABLE (TRICKY ITEMS)

IF NOT STRETCHY OR
LABELED #2 OR #4

Falcon Heights Recycles

YES: Clean, Dry, Stretchy Plastic

- Grocery bags
- Bread bags
- Ziploc bags
- Produce bags
- Bubble wrap
- Cereal bags
- Salt bags
- Ice bags
- Case overwrap
- Pallet wrap & stretch film
- Product wrap
- Non-paper bubble mailers
- Plastic mailers
- Dry cleaning bags
- Carpet overwrap
- Furniture foam wrap
- Mattress bags
- Wood pellet bags
- Newspaper sleeves

NO: Crinkly, Dirty, Sticky Plastic

- Wet, dirty material (remove large labels)
- Hard plastic (e.g. water bottles, six pack rings)

City Hall Programming

Tae Kwon Do <<<

Tae Kwon Do Basic and Intermediate/Advanced sessions are held on Tuesdays, with classes running from February 25 - April 8 (no class on March 4).

Cardio Kickboxing classes are held on Thursdays from February 27 - April 10 (no class on March 6) from 5:30 to 6:15 PM

All classes are held in the Council Chambers at City Hall.

Classes are instructed by Joshua Jordan, a 2nd-degree black belt. These classes help develop self-defense skills, mental strength, focus, self-confidence, physical health and flexibility.

For more information and to register, click this link:
<https://www.falconheights.org/residents/tkd-information>

>>> Yoga

Register for yoga today! You can purchase single or multiple drop-in classes to attend upcoming classes running from March 3 - May 19 (schedule posted online).

Classes are held on Mondays at 4:30 PM in the Council Chambers at City Hall.

Classes are instructed by Shaila Cunningham, who has over 20 years of experience and was certified in 2001 in-residence at Kripalu. Appropriate for healthy beginners or for those wanting to explore "deeper practices," classes will combine classical yoga with best practices, served up with a side of humor. Shaila serves as instructor for North Oaks and Midland Hills Golf Clubs and offers additional classes at YogaHotDish locations.

MAKE SURE YOUR HOUSE IS LEAD SAFE

Lead is a toxic metal that is harmful to humans, especially children under 6 and pregnant or breastfeeding adults. The most common source of lead exposure is paint and dust on windows in homes built before 1978. Any amount of lead exposure is dangerous. If you or someone in your household may have been exposed to lead, contact your healthcare provider.

Lead removal grant:

Ramsey County provides grant funding to reduce lead poisoning in children.

How it works:

- An environmental health specialist tests for sources of lead in your home.
- Windows that test positive for lead-based paint are replaced.
- Other lead hazards found in the home are addressed.
- Grant funds cover 80% of the project cost, homeowner is responsible for remaining 20%.

To learn more about qualifications, and how to clean up sources of lead in your residence, [visit this website](#).

CITY COMMISSIONS <<<

The City of Falcon Heights has four City Commissions, which serve the City Council in an advisory capacity. Commissioners are volunteers including Falcon Heights residents, local business owners, and business designees who have been appointed by the Mayor and approved by the City Council.

COMMUNITY ENGAGEMENT COMMISSION

The Community Engagement Commission advises the City Council on matters related to community needs and issues, crime and prevention, public awareness, community involvement, and human rights issues. The commission also helps plan and facilitate community events such as Human Rights Day and the Ice Cream Social.

The Community Engagement Commission meets on the third Monday of the month at 6:30 PM at City Hall.

There are currently two vacancies. For information and application, click [here](#).

PARKS AND RECREATION COMMISSION

The Parks & Recreation Commission advises the Council on matters related to the operation of the City's public parks and the City recreation program.

The Parks & Recreation Commission meets on the first Monday of the month at 6:30 PM at City Hall.

There are currently two vacancies. For information and application, click [here](#).

PLANNING COMMISSION

The Planning Commission advises the City Council on matters related to planning, zoning, and land use. Meetings are streamed [live from NineNorth](#) and televised on public access channel 15.

The Planning Commission meets on the fourth Tuesday of the month at 7:00 PM at City Hall.

There are currently no vacancies.

ENVIRONMENT COMMISSION

The Environment Commission advises the City Council on matters related to environmental issues, including recycling and waste disposal, community gardens, and stormwater runoff. The Commission also develops and recommends the implementation of environmentally friendly initiatives such as rain barrels and solar panels, supporting and advancing the City's participation in the [GreenStep Cities](#) program.

The Environment Commission meets on the second Monday of the month at 6:30 PM at City Hall.

There are currently no vacancies.
