(Leehy; approved 5-0)

POLICY ITEMS

- Approval of Resolution 25-36 Approving the Final Site Plans and Authorizing Release of Bids for the Community Park Renovation Project
(Mielke; approved 5-0)

The full City Council agenda packet can be found [here](#).

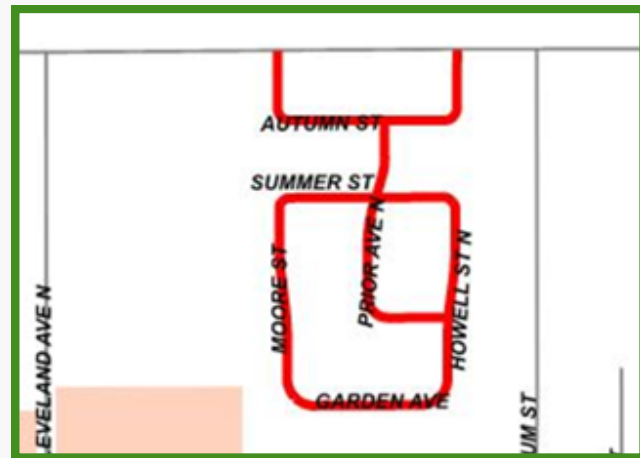

2025 PAVEMENT MANAGEMENT PROJECT

On Wednesday, April 9, the City Council accepted bids from contractors for the 2025 pavement management project. They awarded the contract to the lowest responsible bidder, Bituminous Roadways, Inc.

A portion of the costs for the project are proposed to be assessed. Based on the bids received and awarded, assessments will be less than estimated in the feasibility report: 35.5% lower in the Northome Neighborhood and 34.9% lower in the Falcon Woods neighborhood. The final assessment rate will be calculated based on actual costs.

More information can be found [here](#)

Falcon Woods Neighborhood

Northome Neighborhood

COMMUNITY <<< EVENTS & UPDATES

The contractor's schedule is shown below. Please note that the weather will be a factor and the schedule will likely change as the season progresses. Additional information will be sent out as the contractor is moving to the next phase of their construction.

- Week of May 5: Construction Start, Minor Utility Work and Curb Repair
- Week of May 14: Begin Reclaiming (grinding) Pavement in the Northome Neighborhood
- Week of June 12: Begin Reclaiming (grinding) Pavement in the Falcon Woods Neighborhood
- Paving usually will follow a week after reclaim is completed.
- End-June: Anticipated Completion

Contact Us!

If you have any questions, concerns, or comments, please contact us at 651-792-7004 between 8 AM and 4:30 PM.

Throughout the project, we will keep you informed through monthly direct mailings and weekly updates on the project website. To receive notifications of website updates and other project-related news, sign up for the Falcon Heights Pavement Management Project "Notify Me" List at cityofroseville.com/notifyme

After Hours

If an issue arises outside of regular business hours, contact the City's 24-hour non-emergency number at 651-767-0640

COMMUNITY <<< EVENTS & UPDATES

COMMUNITY PARK UPDATE

On April 23rd, the City Council approved the final site plans and authorized the release of bids for the Community Park Renovation. The bidding process will be managed by WSB, with bids due May 21. Once a contractor is selected, the City Council will review the final package for approval to begin demolition and construction. The project remains on schedule for substantial completion by late 2025.

Since the Council approved the 50% design plans in February, staff and WSB have finalized a site plan that balances improved park amenities with cost efficiency, tree preservation, and retention of key features such as tennis courts, community garden, and ball fields. Plans include replacing the condemned park building, installing a new ADA-compliant playground, and adding a splash pad.

At the March 12th meeting, the City approved the purchase of a pre-fabricated park restroom and shelter building with Cedar Forest Products. Installation of the structure will be contracted separately and included in the overall site work, which also covers demolition, stormwater basin improvements, and parking lot resurfacing. The estimated total cost of the project is approximately \$2.47 million—well below the original \$3.5 million budget. A pending \$350,000 grant from the Minnesota DNR could further offset costs related to the playground, which will be bid as alternates until the grant status is known in the fall. Once bids are received and approved, construction will begin, marking a major step forward in revitalizing Community Park.

[More information can be found here!](#)

COMMUNITY <<< EVENTS & UPDATES

COMMISSIONERS WANTED!

The Community Engagement Commission is looking for commissioners. There are currently two vacancies.

The Community Engagement Commission advises the City Council on matters related to community needs and issues, crime and prevention, public awareness, community involvement, and human rights issues. The commission also helps plan and facilitate community events such as [Human Rights Day](#) and the [Ice Cream Social](#).

The Community Engagement Commission meets on the third Monday of the month at 6:30 PM at City Hall.

The State Fair Task Force also has one vacancy. The goal of the task force would be to provide recommendations to the city council that:

- Address the quality of life that residents experience as impacted by Minnesota Fairgrounds events.
- Maintain positive relationships with our neighbors and community partners.

The task force meets monthly on the third Wednesday at 6:30 PM.

[Click here to learn more and to apply.](#)

REAL ID DEADLINE APPROACHING

Are you REAL ID ready?

Beginning May 7, 2025, Minnesotans 18 years of age or older will not be able to use their standard driver's license or identification card to board domestic flights or enter certain federal facilities. Instead, they will need one of three options:

- Minnesota REAL ID driver's license or identification card.
- Minnesota Enhanced driver's license or identification card.
- Other federally-approved forms of identification, such as a U.S. passport or passport card.

The Department of Vehicle Services recommends people get their REAL ID or passport as soon as possible to avoid the potential of long wait times closer to the deadline. To get a REAL ID, you need a few specific documents to prove your identity.

More information can be found [here](#).

Don't Wait: Schedule a Home Energy Squad Visit Today for Comfort and Bill Savings

From winter lows to summer highs and every temperature in between, a Home Energy Squad® visit can help make sure your home is as comfortable as possible, all year round.

Your visit will be tailored to your home's unique needs. Trained auditors and consultants will inspect your home's insulation, heating and cooling systems, and water heater. Then, based on their findings, they'll install energy-saving materials, like door weather-stripping, LED lightbulbs, and programmable or smart thermostats*, which can make your home more comfortable and help you save on utility costs starting the day of your visit. You'll also receive a custom report with recommendations for improvements you can make to reach your comfort and savings goals, all year round. Our expert advisors are available after your visit for free, personalized advice to help you understand available financial incentives to make your upgrades more affordable.

As the seasons change, learn more about your home and what you can do to make it even better this year and for years to come. And thanks to a partnership between Falcon Heights and the Home Energy Squad, your visit will be available at a reduced cost, making now a perfect time to spring into action.

Visits are provided by CenterPoint Energy and Xcel Energy and delivered by Center for Energy and Environment (CEE). For more information about the Home Energy Squad and to schedule your visit, please visit mncee.org/HES or call 651-328-6220.

*Xcel Energy electric customers with central air conditioning are eligible for a free smart thermostat with AC Rewards enrollment.

FALCON HEIGHTS SPRING TOGETHER

Save the Date!

In hopes of cultivating connections with our neighbors and community, the City of Falcon Heights is excited to invite you to the annual Spring Together event from 3:30 to 5:00 PM on Saturday, May 17. The event will be held outdoors at Curtiss Field, and attendees are encouraged to bring lawn chairs. In addition, an ice cream truck will be onsite, providing treats for free!

We hope to see you there!

COMMUNITY <<< EVENTS & UPDATES

FALCON HEIGHTS TREE SALE

In partnership with Tree Trust, Falcon Heights is having a Tree Sale for residents. You will be able to purchase a young tree for just \$50. Certain species have limited numbers available, so it is recommended to purchase them sooner rather than later.

Available species have been selected because they perform well in urban environments and are either native or adapted to Minnesota's climate. You can find the list of available species on the [website](#)!

Note: one tree per address, and the trees must be planted on private property, outside of the boulevard or right-of-way. Further information is available on the webpage. The Tree Sale will run from Friday, April 4th at 8 AM to Wednesday, May 23rd at 4 PM. Your tree will be delivered by Falcon Heights Public Works in June.

ST. ANTHONY PARK AREA SENIORS

Grief & Loss Support Group

Have you experienced the loss of a loved one, a job, or a relationship? Do you want to learn about tools to move through your grief?

This 8-session small group is for those experiencing recent loss and looking to learn about the grief process. The group will study "Grief and Loss" written by Taylor Blanket, Licensed Master Social Worker. This support group is non-denominational and secular; it is confidential and accepting of all members and their experiences.

Study is led by Pastor Whitney Sheridan from Centennial United Methodist Church.

- Dates: Weekly on Thursdays from May 1, 2025, to June 19, 2025
- Time: 10:00-11:30 AM
- Place: Hybrid meetings online through Zoom AND in-person at 2200 Hillside Ave. W.

No charge to attend. Registration is required; priority given to people living in the SAPAS service area. Please call the SAPAS office at 651-642-9052 or email sc@sapaseniors.org to register.

COMMUNITY <<< EVENTS & UPDATES

ST. ANTHONY PARK AREA SENIORS

Senior Exercise Class

Create a routine to stay active and healthy! You'll practice exercises from the Arthritis Foundation to increase range of motion, endurance, mobility, and strength.

- Dates: Weekly on Wednesdays from May 7, 2025, to June 25, 2025
- Time: 20:00-3:00 PM
- Place: Lauderdale City Hall, 1891 Walnut Street

No charge to attend, though voluntary donations are accepted. Registration is required; priority given to people 60 and older. Please call the SAPAS office at 651-642-9052 or email sc@sapaseniors.org to register.

CITY OF FALCON HEIGHTS ACTIVITIES SCHOLARSHIPS PROGRAM - 2025

The City of Falcon Heights is committed to promoting community engagement and active participation in recreational activities for our youth. The Activities Scholarships Program provides financial assistance to encourage Falcon Heights youth residents to enroll in activity programs offered by approved institutions in Falcon Heights and neighboring communities. As the City of Falcon Heights' program offerings are limited in 2025, we want to encourage youth to stay active and engaged. To encourage this youth participation in activities this Spring/Summer, the City is offering a reimbursement of up to \$25 per household to support children ages 4 to 17 attending camps, enrolling in arts or sports activities, taking swimming lessons and more.

[Click to learn more about the Activities Scholarships Program and reimbursement.](#)

FREE COMPOST GIVEAWAY

In celebration of International Compost Awareness Week, Ramsey-Washington Recycling and Energy is partnering with Ramsey County on a free compost giveaway on Saturday, May 3 from 9 AM to 1 PM at the new Environmental Center located at 1700 Kent St. in Roseville.

This compost is made from food scraps and can improve the soil of your yard or garden by holding more water, retaining more nutrients, improving water drainage and suppressing many diseases.

Can't make it? Find more compost distribution events sponsored by the Minnesota Composting Council.

XCEL ENERGY EV CHARGER AND WIRING REBATE PROGRAM

Xcel Energy is launching an EV Charger and Wiring Rebate program in the Minnesota service territory. It is designed to make EV home charging more affordable for residential customers. Customers can now receive up to a \$500 standard rebate, while income-qualified customers can get up to \$1,200 to cover the cost of circuit wiring installation and/or a Level 2 charger purchase. Customers must apply for an Xcel Energy EV charging program to qualify. The rebate is for customers who installed a 240v circuit wiring and/or purchased a Level 2 charger on or after March 11th, 2025. Learn more [here](#).

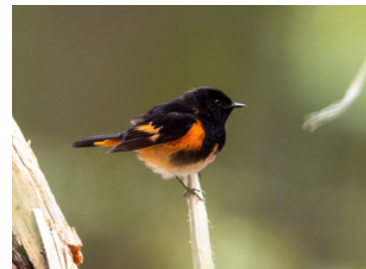

NATURE NEWSFLASH <<<

SPRING BIRDING

The month of May is usually the peak of the spring bird migration in Minnesota. Migrating birds follow the Mississippi River north to find food and nesting sites from where they spent the winter in warmer weather. May is perfect for birding because the trees have not fully leafed out yet, so it is easier to spot birds perched in the trees. BirdCast, a project operated by scientists at the Cornell Lab of Ornithology, Colorado State University, and UMass Amherst, seeks to track and model migrating birds. It offers a nightly forecast and peak migration predictions for different areas of the country. You can [see the estimated number of birds](#) that flew across Minnesota on any given night, as well as the common species known to be migrating at this time.

This [trail map](#) has suggestions for good birding spots in the Twin Cities. Bodies of water with trees surrounding them are often good places to look for birds. One of the most exciting groups of birds to look for are warblers, which are small and often brightly colored, that migrate in search of insects (their primary food source) and to spend the breeding season in Minnesota. [This guide](#) has photos of the common warblers seen in Minnesota.

One of the threats to migratory birds is city lights, which disrupt them as they navigate at night. Birds rest and refuel during the day near water sources and in wooded areas and continue their northward journey. The Audubon Society has a project called Lights Out, which calls on everyone to turn off, dim, shield, or remove decorative lights during critical migration periods. Birds can collide with glass windows or become confused by lights, which makes them vulnerable to predators and urban threats in the daytime. Turning off exterior decorative lights and using curtains or turning off upstairs interior lights at night are ways you can save energy and protect migrating species. If lights are crucial, use shielding to direct the light at the ground instead of allowing light pollution to reach the skies. Read the Audubon Society's factsheet [here](#).

Images From Bird Advisors (only a few of the many warblers we see in MN!)

This article was written by Olivia Siebert, the Minnesota GreenCorps member serving with the City of Falcon Heights. Is there something you want to see in the Nature Newsflash, or are you an expert and want to be included in future articles? Send your ideas over to Hannah Lynch, Community Development Coordinator, at hannah.b.lynch@falconheights.org

City Hall Programming

Tae Kwon Do <<<

Tae Kwon Do Basic and Intermediate/Advanced sessions are held on Tuesdays, with classes running from April 22 - May 27.

Cardio Kickboxing classes are held on Thursdays from April 24 - May 29 from 5:30 to 6:15 PM

All classes are held in the Council Chambers at City Hall.

Classes are instructed by Joshua Jordan, a 2nd-degree black belt. These classes help develop self-defense skills, mental strength, focus, self-confidence, physical health and flexibility.

For more information and to register, click this link:
<https://www.falconheights.org/residents/tkd-information>

>>> Yoga

Register for yoga today! You can purchase single or multiple drop-in classes to attend upcoming classes running from March 3 - June 2 (schedule posted online).

Classes are held on Mondays at 4:30 PM in the Council Chambers at City Hall.

Classes are instructed by Shaila Cunningham, who has over 20 years of experience and was certified in 2001 in-residence at Kripalu. Appropriate for healthy beginners or for those wanting to explore "deeper practices," classes will combine classical yoga with best practices, served up with a side of humor. Shaila serves as instructor for North Oaks and Midland Hills Golf Clubs and offers additional classes at YogaHotDish locations.

Summer Camps

Aviation Summer Camp <<<

Build and launch rockets and gliders at Community Park. Each student gets to build and launch multiple rockets and gliders each day, while learning the physics, chemistry and mathematics involved. Rockets use Estes rocket motors and a large rubber band will be used to launch the foam gliders. Class size is capped at 10 students, but requires a minimum of 5 students in order to move forward. Staff will communicate with you on/by August 1 whether the class minimum was reached or not.

Appropriate for ages 8 to 16.

Cost: \$180

Dates: August 19 -22 from 12:30 to 4:30 PM

For more information and to register, [click here](#).

>>> Boat Building Camp

Kids will learn nautical terms and five knots while making an 8-foot boat and paddle out of plywood and other timber. Building will include shaping, cutting, sanding, gluing, clamping, varnishing, and painting. There will also be skills tests with paper airplanes designs, poem recitals, map-drawing, etc. interspersed within the building process. If weather permits, all crafts will be floated on the last day of class (Friday). Kids get to keep their own boat!

Classes will begin once the minimum student numbers are met. Staff will reach out to you to confirm or cancel class on or before August 1.

After enrolling, a waiver will be emailed to you. The waiver must be completed prior to the first date of class.

Appropriate for ages 8 to 16.

Cost: \$220

Dates: August 11 -14 from 12:30 to 4:30 PM

For more information and to register, [click here](#).

The mission of ComoConnects is to organize community volunteers, professionals, and family members to provide care for their neighborhood seniors in ways that support choice, dignity, and independence.

With the spirit of "Neighbors Helping Neighbors," ComoConnects provides a spectrum of services, bringing neighborhood health professionals, volunteers, caregivers, and community leaders together to provide high-quality, long-term care.

They provide services to residents aged 65 and better in the community of Como Park as well as areas of Falcon Heights.

MAKE SURE YOUR HOUSE IS LEAD SAFE

Lead is a toxic metal that is harmful to humans, especially children under 6 and pregnant or breastfeeding adults. The most common source of lead exposure is paint and dust on windows in homes built before 1978. Any amount of lead exposure is dangerous. If you or someone in your household may have been exposed to lead, contact your healthcare provider.

Lead removal grant:

Ramsey County provides grant funding to reduce lead poisoning in children.

How it works:

- An environmental health specialist tests for sources of lead in your home.
- Windows that test positive for lead-based paint are replaced.
- Other lead hazards found in the home are addressed.
- Grant funds cover 80% of the project cost, homeowner is responsible for remaining 20%.

To learn more about qualifications, and how to clean up sources of lead in your residence, [visit this website](#).

CITY COMMISSIONS <<<

The City of Falcon Heights has four City Commissions, which serve the City Council in an advisory capacity. Commissioners are volunteers including Falcon Heights residents, local business owners, and business designees who have been appointed by the Mayor and approved by the City Council.

COMMUNITY ENGAGEMENT COMMISSION

The Community Engagement Commission advises the City Council on matters related to community needs and issues, crime and prevention, public awareness, community involvement, and human rights issues. The commission also helps plan and facilitate community events such as Human Rights Day and the Ice Cream Social.

The Community Engagement Commission meets on the third Monday of the month at 6:30 PM at City Hall.

There are currently two vacancies. For information and application, click [here](#).

PARKS AND RECREATION COMMISSION

The Parks & Recreation Commission advises the Council on matters related to the operation of the City's public parks and the City recreation program.

The Parks & Recreation Commission meets on the first Monday of the month at 6:30 PM at City Hall.

There are currently two vacancies. For information and application, click [here](#).

PLANNING COMMISSION

The Planning Commission advises the City Council on matters related to planning, zoning, and land use. Meetings are streamed [live from NineNorth](#) and televised on public access channel 15.

The Planning Commission meets on the fourth Tuesday of the month at 7:00 PM at City Hall.

There are currently no vacancies.

ENVIRONMENT COMMISSION

The Environment Commission advises the City Council on matters related to environmental issues, including recycling and waste disposal, community gardens, and stormwater runoff. The Commission also develops and recommends the implementation of environmentally friendly initiatives such as rain barrels and solar panels, supporting and advancing the City's participation in the [GreenStep Cities](#) program.

The Environment Commission meets on the second Monday of the month at 6:30 PM at City Hall.

There are currently two vacancies. For information and application, click [here](#).
